#### High School Credits

Beginning with the 2019-20 school year, a student who has completed high school courses\* with a passing grade before attending high school will **automatically** be given high school credit on their high school transcript. ([RCW](#) and [WAC](#)). Grades will be assigned per the high school grading document for 2019-20. Students who fail a high school course in middle school will repeat the course in following school year.

- Students earn semester credit for each course with a passing grade. ([CPSD Policy 2410-P1](#))
- High school transcripts only include the Semester Final Grade. ([CPSD Policy 2420-P1](#))
- "NC": This grade designates that a course has not been completed and credit is NOT awarded.
